Hear the story behind the artist's brush from founder, Anniessa Burke:

Artistry by Anniessa is a mobile Hair and Makeup team that primarily serves the Southern California area, traveling nation-wide on request. Since our establishment in 2013, we've been committed to our mission: to incite confidence and beauty by artfully enhancing what makes you YOU!

Our goal is to make your Hair and Makeup services stress-free, fun, memorable, photo-ready, and skillfully executed by our team of trained artists. We always go above and beyond to prioritize the lux experience of getting glammed up for your big day while taking top sanitary measures to protect our clients and team members!

HOW IT WORKS

We are a fully mobile service, which means we come to you for everything from your Bridal trail run to the Wedding Day and everything in between. Browse the list of a-la-carte and packaged services we offer on the next page to find the perfect services for you and your Bridal party. We make it easy to personalize and we even offer deferred payment until your Wedding day after your initial deposit.

IMPACT WE MAKE
